St. Patrick's Day Road Race Aggieville • Manhattan, KS

Come join the grand celebration. It's the 45th running of the St. Pat's Races in Aggieville. One of Manhattan's largest running events, it has drawn record numbers of walkers and runners, topping 1,000 participants each of the past four years.

This race will be chip-timed by Manhattan Running Company, which also will offer live event announcing at the finish line, results kiosks for runners, and the option to have your result sent to you through social media apps.

We're proud to announce that we continue our tradition of designating a portion of the proceeds from the races as a benefit for the Special Olympics.

Plan to spend the day in Aggieville.

The Races

Marvin Hachmeister 10K Road Race

This event celebrates the positive spirit and dedication of Manhattan's Marvin Hachmeister, who has run all but two St. Patrick's day events since our inception. A portion of this year's race proceeds will help fund scholarships awarded in Marvin's name.

The challenging course is run through the streets of Manhattan and Kansas State University. Aid stations and splits are included at each mile. There is chip-start to chip-finish timing for the 10K road race. All runners will receive a medal.

**Race monitors will not be held for walkers.*

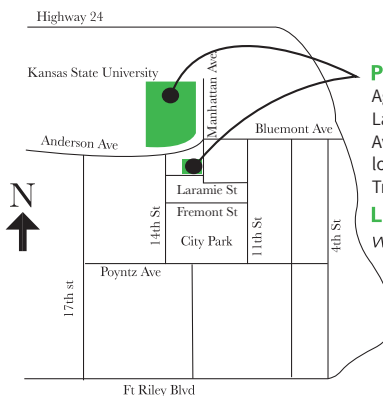

Shamrock 2 Mile Fun Run/Walk

This event is designed for non-competitive runners and walkers. Men, women and youth are combined into a single event that begins at 10:00 a.m.

The 2-Mile Fun Run/Walk is timed and all participants will receive a medal.

Online registration is available at www.stpatsmhk.com
